

Grow Your Money: 101 Easy Tips to Plan, Save, and Invest [With Earbuds] (Playaway Adult Nonfiction)

Jonathan D. Pond delivers clear, essential, and easy-to-apply secrets for people ready to get serious about their finances. People today wrestle with all sorts of financial dilemmas—from paying for their kids education to making mortgage payments to investing for retirement to putting some money aside to spend now. Pond, the father of three lively daughters and the most successful fund-raiser in PBS history, knows what its like to juggle myriad financial demands at once. Grow Your Money features his 101 top easy-to-use financial secrets, including details on:—Why you should pay off your credit balances later rather than sooner—Successful stock investing—Boring ways to get rich—Tricks for home buyers that can save thousands of dollars—Creating a real estate empire—sensibly And much more. With Grow Your Money! Pond has written a book that even the most investment-phobic people can quickly use and enjoy while straightening out their finances.
