

## Hair Care : For MEN: How To: A Males Guide To Every Day Hair Care, Grooming & Hair Products (hair, mens hair care, hair care rehab, hair care books, hairstyles for men, hair loss, mens style)

This is your guide to everything about Mens Hair Care. From a barber or hair stylist, right to your finger tips? Today only, get this Amazon bestseller for just \$0.99. Regularly priced at \$4.99. Read on your PC, Mac, smart phone, tablet or Kindle device. You're about to discover proven strategies that I use every day on my clients in the salon. I have people frequently asking me how to do this? How to do that? What's the difference from clippers to scissors? How can I achieve this style? After all we're guys. We didn't grow up with our dad doing our hair. Well maybe some of you did. But this book should help every guy out there with how to's and those hard to answer questions. So I thought why not create a book that you can take anywhere and read at your leisure. I also have other top stylists offering their tips and tricks of the trade to back up some of the hard to answer questions. Think of it as your own personal hairstylist or barber at your finger tips. Now when you're not sure about anything hair care, turn to this book. Here is a preview of what you'll learn...? Washing vs. not washing your hair everyday Shaving (Your Face & Head) What Professional Products Actually Do beard maintenance Blow drying your hair and how to make it last How to control un-manageable curls How to control frizz Much, much more! Download your copy today! Take action today and download this book for a limited time discount of only \$0.99! It's your on stop shop for everything that you need to know about hair care. Your needs, Your wants and the answers to your frequently asked questions. [www.jesseminty.com](http://www.jesseminty.com) 2015 All Rights Reserved !
