

Business Plan Mistakes Explained

What were going to discuss in this book is some of the key mistakes that are often made in business plans. First, we'll begin by establishing what, exactly, a business plan is. Some people have differing ideas of what constitutes a business plan, so we'll try to make sure that everything is understood clearly at the start. Then, we'll quickly go over how to write a business plan. Finally, the bulk of the book will be devoted to discussing some of the most common mistakes made but in the process of creating and executing business plans.
