

Horizons Geography: Teaching & Learning Resources 1

The wire-bound Teaching and Learning Support Resources is accompanied with a Planning CD-ROM that contains all the material giving you the flexibility to customise it to your needs. Detailed editable unit plans and lesson plans support teachers with developing medium and short-term plans and implementing department strategies, making the course ideal for both non-specialist and specialist teaching. Customisable planning materials save time for teachers and offer ideas for starters and plenaries to structure the learning.
