

# Managerial Accounting, Excel Working Papers: Tools for Business Decision Making

From the leading accounting author team of Weygandt, Kimmel and Kieso, this new edition of Managerial Accounting gives readers the tools they need to succeed, whether as accountants or in other career paths. The book helps build their decision-making skills and understand how to use accounting information to make quality business decisions. The third edition also continues the tradition of unparalleled accessibility by breaking difficult or complicated processes down into manageable, understandable steps.
