

As A Man Thinketh: As A Man Thinketh in the 21st Century by Jane Allen

Proverbs 23:7 For as he thinketh in his heart, so is he. For over a century, James Allens little book, As a Man Thinketh has helped guide and inspire. This book asserts that it is your thoughts that control your life. If you think youll succeed, you will. If you think youll fail, that will also be true for you. This short, but powerful message encourages each of us to take responsibility for our own lives. Jane Allen has taken this message and updated it to language more easily understood in todays world.
