

Body Language: Read Body Language and Learn Human Lie Detection Using Everyday Scenarios

Wouldnt it be nice to know what people were really thinking? Imagine how helpful it would be to have a human lie detection tool in your hands! Well, now you do--this body language kindle eBook. Its been said that 80% of communication is non-verbal, and people who know how to accurately read body language success in business and in life, and those who dont, fail. Its as simple as that. If you can accurately interpret body language, you can gain an edge in any situation, and this book will teach you how to do just that. In this book youll learn specific patterns of body language, seen through 5 typical conversation scenarios: 1: Talking to Your Boss 2: Talking to Someone Else When Youre on a Date 3: Talking to Coworkers 4: Talking to Your Parents 5: Talking to Your Children. Need another reason to buy this book? Heres a great one: Childrens literacy is a cause that is important to me and near and dear to my heart. Because I feel that it is so vital, I donate 5% of the proceeds from the sales of all of my books to Reading Is Fundamental, the largest childrens literacy non-profit organization in America. Stop guessing at what people are thinking. Learn to communicate better so that you can succeed in life. Buy this book now and learn body language today!
