

## Chemistry with Charisma

How can a whoopee cushion inspire students enthusiasm for learning chemistry? With this powerful book, you will learn to use whoopee cushions-and many other fun items- to capture (and keep) attention in your classroom! Meaningful, motivating, and fun!... Middle and high school students will love this selection of 24 lessons designed to build understanding of important chemistry concepts and expand investigative skills. With a combination of teacher demos and hands-on experiences, Chemistry with Charisma helps each learner connect with ideas and information in unique ways and follows National Science Education Standards. Chemistry with Charisma was developed by Terrific Science, a national leader in teacher programs and instructional resources. With federal and state grant funding, Terrific Science has reached 20,000 teachers and published 80 instructional resources.
