

French Phrase Book & Dictionary (Collins phrase book & dictionary) (French Edition)

This French phrase book comprises three sections; a phrase book; a food guide containing a menu reader; and a dictionary. The phrases are short and easy to use with the language reflecting everyday speech - there are no lengthy sentences to struggle over. Talk Tips provide the quick way to ask for things, and the phrases have a simple guide to pronunciation. There is also practical information on subjects such as tipping, driving, smoking, and what to do if you fall ill.
