

# A Lawyers Manual on Community-based Economic Development

A Lawyers Manual on Community-based Economic Development. This manual (book) was prepared by the Economic Development And Law Section of the National Housing and Economic Development Law Project. The Project is a component of the Earl Warren Legal Institute, affiliated with the School of Law of the Univ. of Cal. in Berkeley. The principle function of the Project is to provide back-up assistance in housing and economic development law to attorneys working in OEO funded Legal Services and community development corporations.
