

Converging Horizons: Essays in Religion, Psychology, and Caregiving

This collection of essays considers topics in pastoral theology, pastoral care and counseling, pastoral leadership, and social work, and attends to challenges and opportunities pertaining to the support and care of persons in need. Of interest to ministers, chaplains, pastoral counselors, and social workers, these essays focus particularly on human experiences, needs, or concerns that relate to matters of mental health and religious faith or spirituality. Converging Horizons demonstrates approaches to integrative work that draws on multiple fields of theory and practice in service to the goal of providing a range of caregivers with ways to both conceptualize and engage their important work.
