

The Soul That Suffers: A Perspective on Human Nature and Suffering for Counseling Christians

Suffering and human nature primary issues that face counselors with every client, in every session, in every day spent in counseling practice. As such, a well thought-out and developed understanding of human nature and human suffering is essential for anyone who ventures into the task of listening to and supporting another person. In *The Soul That Suffers*, Dr. Dennis Morgan examines suffering and human nature and offers insights from his four decades of experience in the counseling field. *The Soul That Suffers* offers a fresh biblical perspective to the most foundational issues facing not only Christian counselors but everyone living in a fallen world.
