

Daily Fantasy Basketball: The Guide to Winning Consistently

Daily Fantasy Basketball - The Guide to Winning Consistently is a must read for those who play daily fantasy basketball. You may have played season-long football or even daily fantasy football and now you want to be able to play literally daily for basketball with increased odds of winning. Well this book is for you. Whether you are new or an experienced player, Chris lays out the strategies you need to know and follow to better your chances of making real money playing DFS NBA Basketball. Chris Reilly is the Best Selling Author of Daily Fantasy Strategies: Football Edition, and he has done a great job again with this book focusing only on DFS Basketball. There are major and key differences between playing daily fantasy basketball compared to the other sports and this book will take you through his process and the proper strategies in creating winning lineups. Learning by trial and error is not fun when it costs you money during the process. This guide will help save you hundreds of dollars by taking much of that trial and error and guesswork out of the way. Chris is the Co-Founder and lead writer for TheDailyRoto.com (a daily fantasy sports strategy website) and also writes daily fantasy strategy articles for several DFS blogs including FantasyUp and FanDay. He has a degree in Journalism from Vanguard University in California and plays DFS professionally after moving into daily fantasy sports from the Online Poker world. Save yourself much time, effort, and money while leaping forward through the learning curve for daily fantasy basketball by reading this book. It costs less than most people spend on one entry fee in a single night. No matter if you are a serious daily player or just a beginner, this book is well worth the read.
