

Death of Money: The Preppers Guide to Economic Collapse, the Loss of Paper Wealth, and What to Do When Money Dies (Survival Family Basics - Preppers Survival Handbook Series)

**** #1 Best Seller in Inflation **** Just to say Thank You for checking out this Book I want to give you a copy of my upcoming special report The Preppers Supplies Guide for When Disaster Strikes. Go to www.SurvivalFamilyBasics.com to reserve your FREE copy now. The threat of economic collapse is real and growing every day. The complexity and interconnected nature of the global economy means any economic catastrophe will send ripples around the world. For families, it can be challenging to prep for this kind of threat because there are so many possibilities, variables, and factors at play. Much of the discussion around economic collapse centers on mistrust of the government and the national debt, but these are not the only potential problems that plague our nations economy. Rather than focus on the politics or the people, this volume from the Survival Family Basics Preppers Survival Handbook Series dives into the sources of economic strife in order to provide an in-depth understanding of what an economic collapse would mean for your family. In *The Death of Money: The Preppers Guide to Economic Collapse, the Loss of Paper Wealth, and What to Do When Money Dies* #1 Best Selling author Macenzie Guiver, will introduce you to the possible causes of an economic collapse and outline the kinds of impacts you can expect from each. It will walk you through the five stages of economic collapse and show you what you can do from a preparedness perspective to be ready to weather each stage. After reading this guide, you have a basic understanding of: The common causes of economic collapse and what they can mean for you and your family from a preparedness perspective The five stages of economic collapse, and what you can expect at each of one What economic assets you will need to have to survive and thrive, even in the event of another crash

like in 2007/08 What you can do now so you family is prepared to weather any economic storm that comes your way And much more From explaining the difference between hyperinflation and deflation to outlining what happens when the government cant borrow more money, this guide provides you with the information you need, to understand the different aspects of an economic collapse and to take action now so your family is ready to weather whatever economic storm rolls in.
