

Lupus Recovery without Steroids or Narcotics: The Definitive Beginners Guide

Lupus Recovery without Steroids or Narcotics - The Definitive Beginners Guide Searching for a recovery solution for Lupus that doesn't involve steroids or other harmful substances? This book contains proven steps and strategies on how to manage and control the symptoms of your lupus disease without resorting to steroids and narcotics. Up to today, medical experts have not yet come up with a known cure for lupus which is a multi-system auto-immune disorder. Traditional medication approaches normally involve the use of corticosteroid, non-steroidal anti-inflammatory drugs or NSAIDs, anti-malarial medications and chemo-therapeutic drugs. Many doctors have questioned the effectiveness of these steroids and narcotics in truly treating the lupus symptoms of patients. Grab your copy of this guide today.
