

Dumbing Down Our Kids: Why American Children Feel Good About Themselves But Cant Read, Write, or Add

Dumbing Down Our Kids is a searing indictment of Americas secondary schools-one that every parent and teacher should read.Dumbing Down Our Kids offers a full-scale investigation of the new educational fad, sometimes called Outcome Based Education -the latest in a long series of reforms that has eroded our schools.-Why our kids rank to, or at the bottom of international tests in math and science-Why self-esteem has supplanted grades and genuine achievements-How the educational establishment lowers standards and quality in our schools-while continuing to raise their budgets and our school taxes-The dumbing down of the curriculum so everyone can pass-but no one excel-How parents, students, and teachers can evaluate schools and restore quality learning
