

## Hot X: Algebra Exposed!

Dancing With The Stars contestant Danica McKellar (Math Doesn't Suck, Kiss My Math, Girls Get Curves) New York Times bestseller tackles the most feared of all math classes: Algebra! Algebra: The word alone has been known to strike fear in the hearts of even the best students, but help is here! With her two earlier books, actress and math genius Danica McKellar shattered the math nerd stereotype and empowered girls to conquer middle-school math and pre-algebra. Sizzling with McKellar's trademark sass and style, Hot X: Algebra Exposed now shows high schoolers how to master algebra topics like square roots, polynomials, quadratic equations, word problems, and more. In addition to fun extras like personality quizzes, reader polls, and boy-crazy confessionals, Hot X includes time-saving tips and tricks, sample problems with detailed solutions, relatable real-world examples. Parents and daughters alike will cheer McKellar as they watch their test scores rise!
