

## Proof of Heaven: From the Bible not Near Death Experiences (Looking at Life Through the Grid of the Bible Book 1)

A Self-directed Study Is There Any Real Proof of Heaven? If you believe that the Bible is Gods Word then you will find plenty of proof. The Bible has answers to many of the questions that are being asked about Heaven. Answers that do not come from a subjective treatment via some persons experience. Do Near Death Experiences Really Show Proof of Heaven? It is interesting that the many books on near death experiences have direct contradictions between what one person saw, or experienced, and what a different author saw. Find out What the Bible Has to Say. Where is Heaven? How many heavens are there? What is Heaven like? Find Out Who Will Be In Heaven. This might just be the most controversial section of this self directed Bible study on the Proof of Heaven. Proof of Heaven: From the Bible not a Near Death Experience is Book one of the Looking at Life Through the Grid of the Bible series. Book Two, Angelology: The Study of Angels Good and Bad and Book Three, The Seven Deadly Sins are also available on Amazon for both your Kindle and in Paperback.
