

# Unforgettable (Heat)

Author Faith Bonner has a secret. She's been living vicariously through the audacious heroine of her books, Zoe Wilder. Zoe is everything Faith isn't: she's bold and brash, hot and sexy. But that's about to change. Because at a secluded mountain lodge where her publicist is hosting a Zoe Wilder theme party, Faith has a little accident and suddenly believes she is Zoe. And no man, including sexy lodge owner Lex Ellenberg, stands a chance of resisting her. And resist her is exactly what Lex is trying to do. He's been dreading this theme weekend until he sets eyes on gorgeous Faith. The connection between them is instantaneous, explosive, endless. But how can he build a relationship with someone who doesn't know who she is? Still, with the way Faith/Zoe is aggressively seducing him, he knows he won't be able to hold out for long. So what else can he do but give her a night she won't be able to forget?
