

Doctor, es la prostata? (Salud & Vitalidad/ Health & Vitality) (Spanish Edition)

Puede ser que usted sufra de la prostata o que no tenga ningun sintoma, pero seguramente ha oido hablar de ella, y se plantea preguntas acerca de si podria estar afectado. En este libro encontrara explicaciones que le permitiran comprender mejor las razones de una deteccion, un medicamento, un cambio de modo de vida, una simple observacion medica o el interes de una intervencion quirurgica; pero tambien de estar tranquilo en cuanto a los temores que pudiera albergar equivocadamente, simplemente porque no se atrevia a manifestarlos.
