

Odyssey of Hearing Loss: Tales of Triumph

These 10 true stories document the assaults to self-esteem, the isolation, and the spiritual crises that are faced by individuals with hearing loss, giving an intimate account of how each person triumphed and how therapeutic dialogue offers growth and inspiration. The struggles with the psychological, social, and spiritual aspects of hearing loss in these stories reveals lessons valuable to anyone looking for self-understanding. Readers with acquired hearing loss will find validation of their experiences, and friends and family of people with hearing loss will find avenues for increased understanding and empathy.
