

First Time Pass

Pass your professional exam, the first time you take it. In today's ever more competitive job market, an unblemished exam record can make all the difference between landing that sought-after position you covet, and not. But what can you do, as a career professional holding down a demanding job whilst studying for a challenging exam, to ensure that you boost your career prospects and gain that first time pass? This inspirational book covers every aspect of the study process, from the moment you decide to start studying, to the moment you finish your exam, and beyond. Its unique emphasis on the psychological aspects of learning, in addition to its focus on professionals rather than school and college students, ensures that it is a book that goes far beyond other books about study and exams. Following the invaluable advice contained in this positive, powerful, yet pragmatic and practical guide will ensure you maximise your chances of exam success and achieve that essential first time pass.
