

Working Spanish for Medical Professionals

Practical, on-the-job help for medical professionals who work with Spanish-speaking patients. This compact, phrase-packed resource provides all the vocabulary medical professionals need to communicate effectively with Spanish-speaking patients and their families. It is written expressly for caregivers, so users will find the phrases and vocabulary they need to cover everything from routine office visits to treatments and prescriptions to major medical procedures. Complete with pronunciations for all listings, this hands-on guide efficiently bridges the communication gap between physicians, nurses, clinic workers, aid agencies, and emergency responders and their Spanish-speaking clientele.
