

Hound of the Baskervilles LitPlan - A Novel Unit Teacher Guide With Daily Lesson Plans (Paperback)

Grades 8-10. Essentially a complete teachers manual for the book, this LitPlan Teacher Pack includes lesson plans and reproducible resource materials for Hound of the Baskervilles. It includes: 17 Daily Lessons Short answer study questions Multiple choice quiz questions Vocabulary worksheets for each reading assignment 3 detailed writing assignments Individual and group activities Critical thinking discussion questions 5 unit tests (2 short answer, 2 multiple choice, 1 advanced) Evaluation forms Review puzzles & games Bulletin board ideas Reproducible student materials And more! A Note About A Few Of The Many Different Assignments Included: There are three writing assignments in this unit, each with the purpose of informing, persuading, or expressing personal opinions. The detailed writing assignment sheets guide students through the assignments. The first assignment is to inform: in preparation for the oral presentations students make a written composition of the oral presentations they will make regarding the legends assignment. The second assignment is to express personal opinions and be creative: students look at specific pictures from magazines and write a narrative about the picture based on the details they can find in the picture. The third assignment is to persuade: students choose any fictional detective and persuade their audience that that detective is the best detective for a missing persons case. The group activity has students working together to read and discuss legends from various parts of the world. The groups create a presentation to make to the class so all students are exposed to many different legends and types of legends from all over the world. Uses: These materials are geared for whole class use but are very easily adapted for independent study work, lit circles or book groups, home school use, or tutoring. If you have never taught this book before,

this manual will give you a great foundation of materials on a variety of levels. If you have taught this book before, you might like to know that veteran teachers have told us they have found our LitPlan Teacher Pack manuals to be different from many other materials they have seen--and very helpful.
