

## SEX SOS: Will I Ever Want Sex With My Husband Again? 10 questions about sex you cant ask him or your friends

SEX SOS, the new series of ebooks from international sex, body language and relationships expert Tracey Cox, is designed to give you instant practical, useful information about specific sex topics youre most interested in - without having to wade through an entire book to find what you want to know. The advice centres around a Q&A format, with extra tips boxes and lots of general pointers thrown in as well. Its a fresh, fun format, packed with all the latest information and research and written in Traceys trademark down-to-earth style. In SEX SOS: Will I ever want sex with my husband again?, she tackles long term sex - challenging for all couples. Its certainly not easy to keep things spicy long-term but while there are no magical solutions, there are lots of ways you can rescue a flagging sex life and start loving sex again. Want to know how to fancy your husband as much as you did at the beginning? Give this little guide a go - you might be surprised at just how quickly the desire for sex returns!
