

Subbing, A Memoir from a Substitute Teacher

So, how did you treat your substitute teachers back in school? A veteran public school substitute teacher of over 22 years (in three states) takes you inside the classroom to share a first-hand accounting of his more interesting experiences both the good and the not-so-good. This former sub chose to be anonymous, and only someone with that amount of subbing experience could've written this one-of-a-kind memoir, sprinkled with Pet Peeves and Really Neat Tidbits.
