

Roberts Ridge: A Story of Courage and Sacrifice on Takur Ghar Mountain, Afghanistan

[Read by Joe Barrett] This is a gripping you-are-there account based on stunning eyewitness testimony and painstaking research by journalist Malcolm MacPherson. For the U.S. Navys elite team of SEALs, the mission seemed straightforward enough: to take control of a towering, 10,240-foot mountain peak called Takur Ghar, a key post in their plan to smash Taliban al Qaeda in eastern Afghanistan. But the enemy was waiting, and when the Special Forces chopper was shredded by enemy fire, a red-haired SEAL named Neil Roberts was thrown from the aircraft. Robertss fellow SEALs were determined to bring him out - no matter what the cost. This harrowing true account captures in dramatic detail their seventeen-hour battle, fought against near-impossible odds, to save one of their own.
