

A Dogs Life: A leading expert offers insights into the inner workings of your dogs mind.

Dogs have long been considered mans best friend. But how well do you know your four-legged companion? What goes on under that mop of hair, behind the big adoring eyes is there some deep significance to all that tail-wagging, slobbering, chewing, and barking? One of the foremost experts on canines, Dr. Rufus A. Sheepdog shares his findings from years of study of Americas favorite pet-the dog. This in-depth look into the complex workings of the canine mind will astound and thrill you. With time, effort, and a thorough reading of this book, you might just begin to understand the depths of your dogs mind! A most insightful work! Dr. Sheepdog really knows his subject! -Jack Russell
Never before has a book delved so deeply into the heart of our canine friends-what a masterpiece! -Ben Ji, actor
