

Scottish life and character in anecdote and story

Excerpt from Scottish Life and Character in Anecdote and Story Scotland is proverbial for its wit and humour, and the writer who seeks to illustrate Scottish character with stories drawn from the everyday life of the people is not likely to lament a lack of apposite material. Since Dean Ramsay issued his evergreen and unexcelled Reminiscences many volumes on the subject have been published, but these, for the most part, are indiscriminate collections of jokes which, while they bear witness to the truth that Scotland is a land of humour, do little or nothing to illustrate native character. The present writer aims at supplementing the work of the genial Dean of Edinburgh rather than at following the collectors of concocted witticisms. His endeavour is to illustrate the main features of our Scottish life, and he gives the anecdotes exactly as he found them - without comment or observation - leaving them to speak for themselves. The shrewdness, the wit, and the humour of the nation are treated in the volume which, the author hopes, will form a not-altogether-valueless contribution to the literature of anecdote and story that pertains to the Land o' Cakes, and will afford pleasure as well to the Scot at home as to the Scot abroad. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical

works.
