

# Forgotten Laughs: An Episode Guide to 150 TV Sitcoms You Probably Never Saw

Ever wonder what the unaired episodes of situation comedies that disappeared quickly from the air were about? Curious about those comedy series such as *Rewind*, *The Grubbs*, and *The Ortegas* that the Fox network announced for its fall schedule but that never premiered? Did you know that stars like Bradley Cooper, Michelle Williams, and Brad Pitt made some of their earliest appearances on short-lived sitcoms? *Forgotten Laughs: An Episode Guide to 150 TV Sitcoms You Probably Never Saw* contains answers to these questions as well as others about quickly-canceled, never-aired, and short-run situation comedies. Published for the first time are episode descriptions for these forgotten shows. This reference book contains the most complete descriptions of sitcoms such as the quickly-canceled *Doc Corkle*, *Co-Ed Fever*, and *Black Tie Affair*, the never-aired *Misconceptions*, *The Singles Table*, and *Snip*, as well as short-run comedies like *Fathers and Sons* and *Free Country* and over 140 more. Most episode descriptions were culled from the archives of the Library of Congress, the Paley Center, and the UCLA TV script collection. In addition, *Forgotten Laughs* also includes insights from many producers, directors, and writers who worked on these little-known shows.
