

The 7th (Queens Own) Hussars: Uniforms, Equipment, Weapons, Traditions, the Services of Notable Officers and Men & the Appendices to All Volumes-Vol

The 7th (Queens Own) Hussars-in detail This is fourth and final volume of C. R. B. Barrett's in depth history of the 7th (Queens Own) Hussars published by Leonaur in a matching set available in soft and hard cover with dust jacket. Volumes one, two and three deal with the regiments activities from the early part of the eighteenth century, through the Seven Years War to the Napoleonic Age and the Colonial golden age of the British Empire and ending at the outbreak of the First World War. This final volume concentrates on the ever changing uniform of this beautifully dressed cavalry unit, the equipment it used and the weapons employed during its history. Different aspects of the regiment are described in detail, including its traditions and its band. The volume concludes with services of notable soldiers of the 7th and the appendices to the complete set. This is the conclusion of a distinguished set of books that will grace the shelves of any student of the history of the British cavalry.
