

Clairvoyance and Occult Powers (Dodo Press)

William Walker Atkinson (1862-1932) was a very important and influential American figure in the early days of the New Thought Movement. He was an attorney, merchant, publisher, and author, as well as an occultist and an American pioneer of New Thought, which is in fact the title of a magazine he edited at one time. He is also known to have been the author of the pseudonymous works attributed to Theron Q. Dumont, Yogi Ramacharaka, Swami Bhakta Vishita and Swami Panchadasi. Despite the popularity of his Yogi Ramacharaka and Swami Bhakta Vishita series, the work that Atkinson produced under his third Hindu-sounding pseudonym, Swami Panchadasi, failed to capture a wide general audience. The subject matter, Clairvoyance and Occult Powers, was not authentically Hindu, either.
