

# The Bear Handbook: A Comprehensive Guide for Those Who Are Husky, Hairy and Homosexual, and Those Who Love Em

A fun and informative guide to an emerging (and thriving) gay male subculture, The Bear Handbook is an encyclopedia of all things Bear. From the look (big, burly, and furry), to the fashions (flannel shirts, jeans, and anything XL or bigger) to the accessories (pickup trucks, computers, and a husbear), The Bear Handbook offers an insiders view of the Bear lifestyle.
