

The Collapse of Superman (Classic Reprint)

Excerpt from The Collapse of Superman
A Few years ago a strange myth went up and down the world. We were told that the Germans were Supermen; and as they themselves said so which of us could doubt it? For the Germans had once a high reputation for scientific precision, and it could not be supposed that either this or their native modesty would permit them to magnify, by even a hairs breadth, their virtues or their attainments. If you repeat a declaration often enough, the world either dismisses you as a bore or kills you as a fanatic or ends by believing you. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work.
