

The Divine Secret Garden III: The Mystery of the Pyramid and the All-Seeing Eye (3) (Volume 1)

This is the 3rd book of the Divine Secret Garden Series. This time we take a look at how our world and our lives are being controlled. Like a Hollywood script being directed and produced, we are simply actors in a game called a masquerade. Who rules this world? And how is it so easily controlled from the top to the bottom? What you are about to learn is the secret of the Pyramids and the All-Seeing Eye, that we are under a colossal Government structure from the top down, that is ruling in almost perfect harmony. However, what most fail to observe and understand is, humanity is being controlled like animals, being herded and led into a slaughter as a ritual sacrifice. This is being done to please the Ancient of Days that created this earth as a simulation, to govern over souls that are lost in time and space. This book will outline our world as nothing more than an elaborate Hollywood script that has directors and producers all around us establishing themselves in secret rule over our lives.
