

The Eternals

The Eternals Here are four stories about Eternals - the vampires who live among us, disguised by The masquerade behind which they have hidden since the dawn of time. Travorre Tells how a young french boy, Julian Travorre, became an eternal during the French Revolution, and how he fled to Australia as a refugee when the colony of New South Wales was being settled. As Trevor parker, Travorre helps found a domain in Sydney. The Cragmore Covenant Is set in modern times. Trevor moves to Leichhardt, a small country town in Outback Australia. He takes up teahing, and saves one of the students, Craig, after a terrible bus accident. By converting him, he breaks the fragile truce between the Eternals and the Government. Not only do the Eternals want to punish him, but Doctor heller and General Van Helsing want to use his ashes to create a vaccine that will destroy the Eternals for ever. Firestorm A wild tribe of lycans, (werewolves) tries to take over leichhardt and it is up to Trevor and Craig to save the day. The Webs of Doom Trevor and his young eternal friends must travel far underground to the Eternal City - now ruled by Lilith and her subjects - huge vampire spiders that need to feed on humans in order to breed. Their mission - to rescue Edward, who has been captured by the spiders for use as a blood sacrifice. Can they complete their task before the military destroys the Eternal City? About the Author Geoff was born in Jersey, then under German occupation, during World War II. Soon after the war, his family moved to Brisbane, Australia. He was educated at All Souls School, Charters Towers a rather traditional boarding school after the English style. What knowledge one didnt learn through the ears was well and truly belted in through the rear end, complete with blood blisters. His first contact with the cane was for not running around a sports oval fast enough. He now prides himself on a complete

disinterest on sports and knows nothing about cricket. This led to his creative and artistic sides developing. He had a way with words, and was a skilled debater.
