

## The Microbakery Blueprint

This book is a practical guide to turning your bread-making into a successful microbakery business. Focusing on Dragan and Pennys start-up bakery in the tiniest house in Oxford, UK, and going on to the success of The Artisan Bakery School in Devon, The Microbakery Business Blueprint gives all the nitty-gritty details of running a baking business from home. \* The local legal requirements: Environmental Health, licences etc. \* How to start trading with minimum initial investment just one oven! \* Getting a handle on finances, branding and marketing \* How to cost and price your breads \* Business development and the importance of growing organically \* Setting a baking schedule to match your stamina If you like the idea of being able to manage your own time, earning a living ethically and contributing to your local community, this book is for you. For details on how to make good bread, see the Artisan Bakery School companion volumes: Artisan Bread for Beginners or Baking Real Sourdough Bread or A Million and One Original Bread Recipes.
