

People: The Third Book in the A Day With a CEO Series

This third book in the A Day With a CEO series focuses on PEOPLE as the successful inspiring, leading and motivating of people is absolutely fundamental to the success of any organization. Many of the subjects covered in this book are often described as the soft skills of management, as anyone who deals with people on a regular basis will tell you that this is one of the hardest aspects of the job. Although targeted at General Managers, the content will be useful to anyone interested in how a business should be managed, especially early career managers with aspirations to become a GM. It will also be useful to anyone who has the most important task, which is to manage and develop yourself!
