

## The Paulo Freire Reader

With *Pedagogy of the Oppressed* Paulo Freire established his place in the universal history of education. Freire's death in 1997 leaves his writings to carry on his revolutionary message: one of hope. This reader draws from his various works: *Pedagogy of the Oppressed*, *Pedagogy of the City*, *Pedagogy of the Heart*, *Learning to Question* and *Pedagogy in Progress*, in addition to other works that appear for the first time.
