Excerpt from The Students Mythology: A Compendium of Greek, Roman, Egyptian, Assyrian, Persian, Hindoo, China, Thibetian, Scandinavian, Celtic, Aztec, and Peruvian Mythologies, in Accordance With Standard Authorities; Arranged for the Use of Schools and Academies

The Students Mythology has been muse in manuscript for nearly three years in one of our largest academies, where it has been received with much favor by both teachers and pupils. Even in that form, which subjected them to the inconvenience of long dictations, it was preferred to any of the ordinary text-books on the subject. Copies were sought for the use of other institutions, and the principals of the academy referred to, consented that the work should be prepared for the press. In carrying out the plan, the subject matter was carefully classified, and such additions made as were deemed necessary for completeness. As a farther precaution, the whole was submitted to the revision of an eminent classical scholar. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
