

## The Virgin Alternative Guide to British Universities 2003

Conceived to give vent to the student voice, this reference, written by students for students, offers nightlife and city guides, and also includes independent, course-by-course teaching assessments and advice on which universities serve which job market best. This edition takes account of reduced student grants and the introduction of tuition fees, and turns its searchlight on every aspect of university life in terms of value. This doesn't just include rents and cost of living, but A Level requirements too, measured in terms of the quality of teaching you should receive, student satisfaction and job prospects. The book offers the insiders view of every aspect of student life, on and off campus.
