

Trapped in the Cycle of Life

Trapped in the cycle of Life explains in simple language the lustful and greedy nature of mankind. The human race always desires better when opportunity presents itself; at times these opportunities may not serve our best interests spiritually or naturally, but our desire to please self-supersedes our desire to do right. Trapped in the Cycle of Life shows the individual how to predict the evil cycles in life so one can adequately prepare and prayerfully overcome temptation.
