

## The Shaking Of A Nation

Click Here For Sample ChapterAs people continue to wonder why God would allow calamity to sweep the nation in the form of school shootings, terrorist attacks, and natural disasters, author David P. Hill Jr. looks to bring Christ-centered answers to troubled Americans in *The Shaking of a Nation*. Hill not only clearly explains the problems of our fallen nation, but he also articulates what Christians can do to be a part of the solution. The pages of both history and the future will come to life as Hill teaches about God's sovereignty, His special purpose for the church, and His good plans for the United States. Even as Americans continue to ignore and reject God, He is offering the great people of the United States a divine wake-up call. Having walked in disobedience too long, God is calling Christians to intercede on behalf of America. Will you be a bridge between God and a nation that has gone astray? About the Author David P. Hill Jr. has been preaching the gospel since 1995, the year after his dramatic conversion. His passion is to see believers from all denominations united for the cause of Christ. The Spirit has moved, lives have been changed, and miracles have taken place as Pastor Hill has ministered to Christians from Baptist, Methodist, Catholic, Pentecostal, and nondenominational churches. Currently he serves as the senior pastor of San Saba First Assembly of God. He lives in Central Texas with his wife, Rebecca, and their three children.
