

Withdrawal from Afghanistan: Historical Lessons

In considering the U.S. withdrawal in Vietnam, the Soviet withdrawal from Afghanistan, and the U.S. redeployment from Iraq, the subcommittee will explore lessons applicable to the current plans to withdraw combat forces from Afghanistan and place the Afghan National Security Forces in the lead by 2014. We recognize, of course, that past events do not offer precise analogies to the current situation; nonetheless, historical experiences can be illuminating when considering contemporary policy.
