

Worship His Majesty: How Praising the King of Kings Will Change Your Life

The Father certainly doesn't need our praise, yet He prescribes worship as a daily activity. Why? Pastor Jack Hayford shows that God graces His people with worship as a gift, not a demand. Worship liberates God's people to discover genuine wholeness only as they recognize and acknowledge the holiness of God. In this classic work, Hayford examines the lives of more than a dozen biblical figures to describe the fulfilling effects of worship, including seven truths Jesus revealed about the blessings of praise. God's grace fills everything He gives and calls us to do, and this grace overflows in a special way on those who humbly and wholeheartedly worship God.
